

Cebu

Cebu Philippines Advancing Tourist and Business Spot.

Cebu Philippines, rated as one of Asia's best Cities, taking its pride in being an option destination for business and leisure. Cebu got everything you could imagine of in a tropical paradise. It is blessed with pure white sand beaches, clear waters, fantastic diving sites, luxurious resorts with all the amenities of modern living. Moreover, Cebu is also full of historical assets. It is the Philippines' oldest city, where the great Portuguese explorer Ferdinand Magellan planted the Cross of Christianity in the name of Spain in 1521. Situated right in the heart of the Philippines, Cebu has long been a big shot entry point among Asian traders. Today, Cebu has developed into a highly progressive metropolitan city that continues to attract foreign tourists and investors. Cebu is also famous for its growing export industries - including furniture, electronics / semiconductors, fashion accessories. It is also quickly becoming a favorite outsourcing hub. US, Japan and Europe rank as its top markets.
